Thank you, I'm good thanks.

Tom rang at lunchtime yesterday asking me to report the burglary to Cheshire Police, which I did, they were unable to log it as I didn't have full details of equipment taken. They have said Tom can report it via the prison liaison officer or chaplain who will also allow Tom to make a call to Cheshire Police to report the burglary. Tom's landlord has also spoken to the police and secured the property further.

Many thanks.
