Dear Cheshire Police,

It was stated by one of your police officers that I should report the burglary and theft of my property by Cheshire Police officers yet again to you.

Can you please explain your procedures where crimes already reported to you by witnesses with evidence, and having two crime numbers already should be reported yet again after over a year of the original report and first crime number ?

Here is a link to one of the items stolen by Cheshire police. This one seems an act of personal greed by the police officer concerned, or was it an item with my dna on it for you to place in a crime scene and pretend I was there ?

A lot of people have spoken to me that Cheshire Police tactic to cover up their own crimes is to simply ignore the reporting. The network of people experiencing this is joining up more and more. There is very definitely evil running the gangsters in Cheshire police.

WE expect to hear all of this and more at the public hearing of Simon Byrne.
