Dear Sir/Madam,

Please find attached my application containing three parts.

1. Quash an order created by fraud.
2. Inform Cheshire Police of the Fraud.
3. Stop the abusive isolation of my children.

As there is a considerable criminal element in all this, I originally sent the documents on an N244 application, but was informed that it had to be a D11 form.

I have stated my position is supported by many documents of evidence and witnesses. A secure and viable method is requested to present these to the court. A secure email is requested, or, I can create a secure download area, or I can post a DVDrom with the files. It is beyond my finances to print documents out.

regards,

Tom Dobbie
